**About The Common Thread for the Cure:**

A 501 (c)(3) nonprofit organization, The Common Thread for the Cure Foundation was established in 2000 by Suzann Burkhead-Bray and Scott Burkhead in memory of their sister, Sandra Burkhead Campbell, who lost her long-term battle with breast cancer in February 1999. The organization has awarded more than three hundred Helping Hand Grants to recipients in thirty states, Canada, and Mexico—and the number is increasing each year. Raise your hand and join us.
